Dear Dick,

Thanks so much for asking me to address the Amherst Alumni Association in February. It appears I'm going to have to lend you some spooks, however, since I have no appointments in Princeton in mid-February. Looks like your intelligence service has been victimized by a double agent!

Seriously, I do wish I could make it up your way but my schedule for that time frame is already full. I do appreciate your thinking of me though, and wish you the very best in making the Association a going concern.

All the best.

Yours,

STANSFIELD TURNER

Dear Stan:

My own c.i.a. (note the lack of initial caps) has it that you will be addressing an educational group in Princeton, New Jersey on a Saturday evening in mid-February.

? ?

Question---If we could pull it all together, would you be willing to address the Amherst Alumni Association of Northern New Jersey the preceeding Friday evening at Montclair Academy (of which Perry Minton, Bill Brown, and I are graduates, also my son Jeff) in Montclair, New Jersey?

We envision a dinner/evening meeting. We would put you and Mrs. Turner up at a local hotel, and I personally would drive you down to Princeton the following day (it's about 50 miles). We would pay all expenses.

The fledgling Amherst Alumni Association of Northern New Jersey has had two meetings so far. We have a constituency of 525 alumni of whom 100 responded favorably to a questionnaire about setting up the Association.

It goes without saying that your appearance would be a stimulating event in our growth. Indeed, it could be the key to our success.

Won't you please say yes and let us know promptly.

Cheers!

Cordially,

100
